School Library

School library will be open to children and families from 3:15pm until 3.45pm. Parents and pupils are welcome to borrow books from our library. Ms Ferrier, our school librarian, will be on hand each evening to help you chose the right book for your children and to sign it out. Children must be accompanied by an adult.

Attendance

We are currently very worried because our school attendance is well below where it needs to be. This means many children are missing out on the learning they need.

The worst day of the week is Friday!

Please remember your child should be in school every day unless they are very ill.

All children are expected to be in school for at least 95% of the time and if attendance falls below 93% the school will begin a monitoring process which could lead to legal action if attendance does not improve.
