Read on to find out:

- Our proud moments this term
- What we have been learning this term
- What we will be doing in the autumn term
- Key dates for the autumn term
- Communications
- The school day

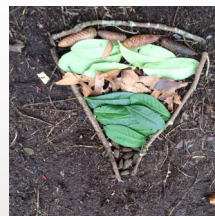

What have we done this term to make us feel Proud?

This term year 6 have packed a lot into a short space of time. We have thoroughly enjoyed our two cooking sessions, making curry a stir fry and many of us have tried this out at home as well. During the residential at Laches Wood, children were pleased with their achievements in lots of different activities like caving and climbing. Where they were unsure at first, they pushed them-

selves and were brave. We explored being spiritual in the form of being in nature doing some art and some meditation in yoga. We wrote some amazing stories linked to Kensuke's Kingdom and our history work on Anglo Saxon's and Vikings. We've been working hard

to

What we have been learning about this term

This term, Year 6 have enjoyed and engaged with a number of mini adventures, including Spiritual Art, Islands, Evolution, Anglo Saxons and Viking as well as the Heart. We have worked scientifically during our evolution mini adventure to understand where Charles Darwin's beak theory came from. In history we explored the Anglo Saxons and Vikings to decide which group were the most successful invaders. We found out that the rate heart disease is increasing so we have investigated what we need to do to keep our hearts healthy as part of our science mini adventure on the heart. Using the book Kensuke's Kingdom as a stimulus, we learnt about life on a boat and used our geographical knowledge to try to predict where the story was set.

What we will be learning about in the summer term.

The mini-adventures your child will be covering are?

Key Leaders ,

Coasts

Victorians

Electricity

They will be learning about:

Maths:

We will be revising all the topics we have covered ready to apply these in our SATS tests in May

English:

We will be writing a climate change speech and a recount linked to our coasts mini

Other subjects:

PE—Practising for sports day with our athletics unit and learning to play rounders

PSHE—Transition work with the PCSO and Safer Travel team.

Communications

Reach More Parents

We use the Reach More Parents app for all of our school communications. Parents will need to have download the app so:

- they know what is happening in school,
- can make payments for trips, dinner money etc.
- Can complete forms and book appointments

Facebook and X

We share some photographs and announcements on our Facebook and X pages. Find us at Chuckery primary—Official (Facebook) and @chuckeryprimary (X)

Our Website

Everything you need to know about the school can be found on the school website. Visit us at www.chuckeryprimary.com

The School Day

Children should be in school at 8:45am. Gates close at 8:55am to allow parents time to leave the site. Children arriving after 8:55am will be marked as late. Further information can be found on our school website.
