

Chuckery Primary School Year 4 Newsletter Summer Term 2023

- Our proud moments this term
- What we have been learning this term
- What we will be doing in the autumn term
- Key dates for the autumn term
- Communications
- The school day

What have we done this term to make us feel Proud?

We have been working hard all year on our multiplication knowledge and all children showed perseverance this term when they completed their online assessment. Furthermore, we worked as a

team to support each other to make leaf crowns for our Coronation celebration. We are continuing to develop are skill and endurance in our swimming lessons.

What we have been learning about this term

For the King's Coronation we learnt the National Anthem and a song to celebrate our new King. We also learnt the history of British monarchs and focused on Elizabeth I and her reign. We then tackled the Chocopocalypse and had to find out where chocolate comes from and how it is made. After this, we looked at how food is symbolised in different religions and Class 10 made a range of

breads. We then looked at why it is important to care for those around us and expressed our views in a motivational poem. Then, after the eruption of Mount Etna, Sicily needed our help so we have written a persuasive brochure to encourage people to visit Sicily. We learnt about tectonic plates and how volcanoes are formed.

What we will be learning about in the autumn term.

The mini-adventures your child will be covering are?

Changes in Science Christian aid and Islamic relief Highway man Rainforests The true meaning of Christmas They will be learning about: Maths: Number and place value Addition and Subtraction Multiplication and division Fraction, decimals and percentages Measurement Statistics

English:

Information report Poetry Narrative Procedure Other subjects: P.E- Swimming PHSE- Health and well-being, healthy rela-

tionships, safety, emotions and diversity. Computing– Online safety and databases

Communications

Reach More Parents

Shape

We use the Reach More Parents app for all of our school communications. Parents will need to have download the app so:

- they know what is happening in school,
- can make payments for trips, dinner money etc.
- Can complete forms and book appointments

Facebook and Twitter

We share some photographs and announcements on our Facebook and Twitter pages. Find us at Chuckery primary—Official (Facebook) and @chuckeryprimary (Twitter)

Our Website

Everything you need to know about the school can be found on the school website. Visit us at www.chuckeryprimary.com

The School Day

Children should be in school at 8:45am. Gates close at 8:55am to allow parents time to leave the site . Children arriving after 8:55am will be marked as late. Further information can be found on our school website.
