

## Speaking and Listening skills progression

2022-2023

	Year 1
	o Listen to and discuss a wide range of poems, stories and non-fiction at a level beyond that
	at which he/she can read independently
	<ul> <li>Discuss the significance of the title and events</li> </ul>
Discussing texts	<ul> <li>Recite some poems and rhymes by heart</li> </ul>
	<ul> <li>Participate in discussion about what is read to him/her, taking turns and listening to what</li> </ul>
	others say
	<ul> <li>Explain clearly his/her understanding of what is read to him/her</li> </ul>
S&L as	<ul> <li>Say out loud what he/she is going to write about</li> </ul>
	<ul> <li>Use relevant strategies to build vocabulary.</li> </ul>
preparation for writing	<ul> <li>Compose a sentence orally before writing it</li> </ul>
writing	<ul> <li>Discuss what he/she has written with the teacher or other pupils</li> </ul>
Performance	<ul> <li>Read aloud his/her writing clearly enough to be heard by the group and the teacher</li> </ul>
	<ul> <li>Recognise and use language relating to dates, including days of the week, weeks, months</li> </ul>
	and years
	<ul> <li>Use the language of time (including telling the time throughout the day first using o'clock</li> </ul>
	and then half past)
	<ul> <li>Describe position, direction and movement, including whole, half, quarter and three-</li> </ul>
Maths Focus	quarter turns e.g. left and right, top, middle and bottom, on top of, in front of, above,
	between, around, near, close and far, up and down, forwards and backwards, inside and
	outside
	<ul> <li>Discuss and solve problems in familiar practical contexts, including using quantities, also</li> </ul>
	problems should include the terms: put together, add, altogether, total, take away,
	distance between, difference between, more than and less than
	o In working scientifically, ask simple questions and recognise that they can be answered in
Science Focus	different ways (ask people questions; talk about what he/she has found out and how
Science Pocus	he/she found it out; communicate his/her findings in a range of ways and begin to use
	simple scientific language)

Year 2		
Discussing texts	<ul> <li>Listen to, discuss and express views about a wide range of poetry (including contemporary and classic), stories and non-fiction at a level beyond that at which he/she can read independently</li> <li>Discuss the sequence of events in books and how items of information are related</li> <li>Continue to build up a repertoire of poems learnt by heart, appreciating these and reciting some, with appropriate intonation to make the meaning clear</li> <li>Discuss his/her favourite words and phrases</li> <li>Answer and ask questions</li> <li>Participate in discussion about books, poems and other works that are read to him/her and those that can be read for himself/herself, taking turns and listening to what others say</li> <li>Explain and discuss his/her understanding of books, poems and other material, both those that he/she listens to and those that are read for himself/herself</li> </ul>	
S&L as preparation for writing	<ul> <li>Develop positive attitudes towards and stamina for writing by planning or saying out loud what he/she is going to write about</li> <li>Use relevant strategies to build vocabulary.</li> </ul>	

## Year 3

Discussing texts	<ul> <li>Listen to and discuss a range of fiction, poetry, plays, non-fiction and reference books or textbooks</li> </ul>
	<ul> <li>Ask questions to improve his/her understanding of a text</li> </ul>
	<ul> <li>Discuss words and phrases that capture the reader's interest and imagination</li> </ul>
	<ul> <li>Participate in discussion about both books that are read to him/her and those that can be read for himself/herself, taking turns and listening to what others say</li> </ul>
S&L as	<ul> <li>Compose and rehearse sentences orally (including dialogue), progressively building a varied</li> </ul>
preparation for	vocabulary and an increasing range of sentence structures (English Appendix 2)
writing	
	o Prepare poems and play scripts to read aloud and to perform, showing basic understanding through
Performance	intonation, tone, volume and action
	<ul> <li>Read aloud his/her own writing using appropriate intonation and controlling the tone and volume so</li> </ul>
	that the meaning is clear
	<ul> <li>Participate in discussions, presentations, performances, role play/improvisations and debates</li> </ul>
Maths Focus	<ul> <li>Estimate and read time with increasing accuracy to the nearest minute; record and compare time in terms of seconds, minutes and hours; use vocabulary such as o'clock, a.m./p.m., morning, afternoon, noon and midnight</li> </ul>
	<ul> <li>Describe the properties of 2-D and 3-D shapes using accurate language, including lengths of lines and acute and obtuse for angles greater or less than a right angle</li> </ul>
	<ul> <li>Ask relevant questions and use different types of scientific enquiries to answer them</li> </ul>
Science Focus	<ul> <li>Make a spoken report on findings from scientific enquiries</li> </ul>
	<ul> <li>Use relevant scientific language to discuss his/her ideas and communicate findings in ways that are appropriate for different audiences</li> </ul>

Year 4		
Discussing texts	0	Listen to and discuss a wide range of fiction, poetry, plays, non-fiction and reference books or
		textbooks
	0	Discuss words and increasingly complex phrases that capture the reader's interest and
		imagination
	0	Ask reasoned questions to improve his/her understanding of a text
	0	Participate in considered discussion about both books that are read to him/her and those that
		can be read for himself/herself, taking turns and listening to what others say
S&L as	0	Compose and rehearse sentences orally (including dialogue), progressively building a varied and
preparation for		rich vocabulary and an increasing range of sentence structures (English Appendix 2)
writing	0	Give well-structured descriptions, explanations and narratives for different purposes, including
witting		for expressing feelings
	0	Read aloud his/her own writing, to a group or the whole class, using appropriate intonation and
		controlling the tone and volume so that the meaning is clear
Performance	0	Prepare poems and play scripts to read aloud and to perform, showing understanding through
		intonation, tone, volume and action
	0	Participate in discussions, presentations, performances, role play/improvisations and debates
Maths Focus	0	Describe positions on a 2-D grid as coordinates in the first quadrant
	0	Describe movements between positions as translations of a given unit to the left/right and
		up/down
	0	Ask relevant questions with reasoning and use different types of scientific enquiries to answer
		them
Science Focus	0	Make a clear and reasoned report on findings from scientific enquiries
	0	Use relevant scientific language to discuss his/her ideas with reasoning, and communicate
		findings in ways that are appropriate for different audiences

Year 5		
C	, , , , , , , , , , , , , , , , , , , ,	
	reference books or textbooks	
C		
	the impact on the reader	
0		
Discussing texts	,	
Č 0		
	for himself/herself, building on his/her own and others' ideas and challenging views	
	courteously	
C		
	presentations and debates, maintaining a focus on the topic and using notes where	
	necessary	
S&L as	<ul> <li>Use relevant strategies to build vocabulary.</li> </ul>	
preparation for o	Give well-structured descriptions, explanations and narratives for different purposes,	
writing	including for expressing feelings	
c	Perform his/her own compositions, using appropriate intonation, volume, and movement so	
	that the meaning is clear	
C	<ul> <li>Prepare poems and plays to read aloud and to perform, showing understanding through</li> </ul>	
Performance	intonation, tone and volume	
C	Participate in discussions, presentations, performances, role play/improvisations and debates	
0	Consider and evaluate different viewpoints, attending to and building on the contributions of	
	others	
c	Pronounce mathematical vocabulary correctly	
0	Know and use the vocabulary of prime numbers, prime factors and composite (non-prime)	
Maths Focus	numbers	
	Use and understand the terms factor, multiple and prime, square and cube numbers	
C	Identify, describe and represent the position of a shape following a reflection or translation,	
	using the appropriate language, and know that the shape has not change	
C	Report and present findings from enquiries, including conclusions, causal relationships and	
	explanations of and degree of trust in results, in oral and written forms such as displays and	
	other presentations	
Science Focus o	Use relevant scientific language and illustrations to discuss, communicate and justify his/her	
	scientific ideas and should talk about how scientific ideas have developed over time	
c	Use spoken language to develop understanding through speculating, hypothesising,	
	imagining and exploring ideas	

Year 6			
	0	Continue to read and discuss an increasingly wide range of fiction, poetry, plays, non-fiction	
		and reference books or textbooks	
	0	Discuss and evaluate how authors use language, including complex figurative language,	
		considering the impact on the reader	
	0	Ask specific reasoned questions to improve his/her understanding	
	0	Identify and discuss themes and conventions in and across a wide range of writing with	
Discussing texts		reasoning	
	0	Participate in discussions about books that are read to him/her and those that can be read	
		for himself/herself, building on his/her own and others' ideas and challenging views	
		courteously and with clear reasoning	
	0	Explain and discuss his/her understanding of what he/she has read, including through formal	
		presentations and debates in pairs, groups and whole class, maintaining a focus on the topic	
		and using notes where necessary	
S&L as	0	Use relevant strategies to build vocabulary.	
preparation for	0	Give well-structured descriptions, explanations and narratives for different purposes,	
writing		including for expressing feelings	
	0	Perform his/her own compositions to a range of audiences, using appropriate intonation,	
		volume, and movement so that the meaning is clear	
	0	Prepare poems and plays to read aloud and to perform, showing understanding through	
Performance		intonation, tone and volume so that the meaning is clear to an audience	
	0	Participate in discussions, presentations, performances, role play/improvisations and debates	
	0	Consider and evaluate different viewpoints, attending to and building on the contributions of	
		others	
	0	Pronounce mathematical vocabulary correctly and confidently	
	0	Use the whole number system, including saying, reading and writing numbers accurately	
Maths Focus	0	Describe the properties of shapes and explain how unknown angles and lengths can be	
		derived from known measurements	
	0	Describe positions on the full coordinate grid (all four quadrants)	
	0	Report and present findings and evidence from enquiries, including conclusions, causal	
		relationships and explanations of and degree of trust in results, in oral and written forms	
		such as displays and other presentations	
Science Focus	0	Use relevant scientific language and illustrations to discuss, communicate and justify his/her	
Science Focus		scientific ideas, separating opinion from fact, and talk about how scientific ideas have	
		developed over time	
	0	Use spoken language to develop understanding through speculating, hypothesising,	
		imagining and exploring ideas
